Christmas Fundraising Project

Dear Parents/Carers,

We wanted to let you know, that in case you missed out last time, the Class Fundraising Shop is open once again. It will close on **25th November at 12pm!**

To make purchases you will need to use your unique code which can be found on the design card.

When you login to approve your child's work, please ensure you check and confirm your child's name and class, as this is what prints on the product. You can provide feedback prior to approval if the name or class is incorrect or if there is something on the proof that needs amending. You need to do this directly through Class Fundraising.

Orders are placed online via their website and we cannot do this for you at school as the money goes directly to the company. We recommend holding onto your parent order card until you have received your items and are happy with the order, as the company may need you to confirm assigned codes for artwork in the event of a query.

If you have any questions about the above, please do not hesitate to contact the office.
